Dear Edward,

Congratulations! CSA Group is pleased to announce your status as a Certified Greenhouse Gas Inventory Quantifier.

Your Greenhouse Gas Inventory Quantifier certification is valid for a period of three (3) years.

Certified Greenhouse Gas Inventory Quantifiers may apply for re-certification up to 6 months prior to their certification expiration date and no later than 3 months after expiration. Greenhouse Gas Inventory Quantifiers applying for certification more than three months after expiration of their certification must fulfill all requirements of the initial certification process. Requirements of re-certification may be found in the Greenhouse Gas Inventory Quantifier Guidebook found online at www.csagroup.org.

As per your agreement on the certification application, your name will be added to the CSA Group online registry of certified personnel. You can view the webpage at www.csagroup.org.

During your certification period, please keep us informed of any changes to your contact information, especially e-mail address. In addition, stay abreast of news and updates to this program by visiting our website regularly. I trust that you will find participation in this program as beneficial as we believe that it is. Congratulations on achieving this status! If you have any questions or comments, please contact us at training@csagroup.org or by calling (800) 463-6727.

Sincerely,
